The graceful moves of this Middle-eastern dance form utilize muscles in the abdomen, pelvis, trunk, spine, and neck, working with the body instead of against it, improve your posture, tone your core and relieve back tension all while having fun.

Bring your cars, trucks and vans for the MCCS Midway Park Community Center Trunk Sale! Sell your underloved items and clear out your house for just \$5 a space. We'll do all the advertising for you. Sellers are welcome to bring folding tables and blankets to display items. Space is limited. Money is due at the time of reservation. Open to all authorized patrons.
