The Reading Education Assistance Dogs (R.E.A.D.) program improves children's reading and communication skills by employing a powerful method: reading to a dog. But not just any dog; R.E.A.D. dogs are registered therapy animals who volunteer with their owner/handlers as a team, going to schools, libraries and many other settings as reading companions for children.

Space is limited. Families must pre-register by the Monday prior to the event date by calling 910-451-4103.

EFMP wishes to make this event accessible to people of all abilities. If you need a reasonable accommodation to fully participate in this event contact us at 910-451-4394 or TTY Relay Station at 910-450-7765.
