MARINES

Challenge your knowledge of Marine Corps history, culture, and traditions while discovering the resources, services, and benefits available on base. Gain insight on separation & deployments, valuable financial and moving tips.

SPOUSES

Come join us as we welcome you to the Marine Corps Family. Enjoy a day of fun, learning, networking, insight, tips, vital information and ideas so you can successfully meet the challenges you encounter as a military spouse. Japanese, Spanish, and NAVY workshops are available.

PARENTS OF MARINES

This interactive workshop welcomes Parents and Extended Family members of our Marine to the Marine Corps Lifestyle. You will be provided with an in depth understanding of our culture and resources available to support those that serve.

KIDS

Kids ages 6-8 will enjoy this fun workshop as they learn about life as a military child. Playing games, learning the history, making friends, and much, much more...

TWEENS

“Tweens” ages 9-12 will explore hot topics, make new friends, and find out what makes them an awesome Marine Corps “Tween”. They will gain an understanding of Marine Corps history, traditions, and resources.

TEENS

Teens will join an environment that respects their unique perspective and challenges within the military lifestyle. While gaining an understanding of Marine Corps history, traditions, resources, and lifestyle topics it will allow them to meet other teens and share experiences that they have faced.
