

Bicycle Rules of Safety

While cycling at Camp Lejeune, follow these **MANDATORY** base regulations:

1. Wear an ANSI or SNELL approved bicycle helmet.
2. Between evening and morning colors, riders must wear an approved reflective vest over their outer garments.
3. Bicycle riders will ride on the right edge of the roadway traffic in single file only.
4. Bicycles/mopeds may be operated during the hours of darkness if equipped with headlights, rear red reflectors and red lights.

Other important safety tips...

- »Ensure your bike is equipped for safety.
- »Keep both hands on handlebars.
- »Ride more slowly on wet streets, loose gravel or bumpy roads.
- »If wearing earphones, exercise caution while crossing roads.

If you have any questions about your bike's safety, stop by the *Bicycle Repair Department* at the Main Exchange or call 910-451-5030 x2431
